EXPERIENCE

SILAMIR GROUP | DATA ENGINEER CONSULTANT

Oct 2025 – Present | Paris

- **In charge of application maintenance (TMA)**: built an agent that helps resolve support tickets
- Data platform in production: **12 sources, 795 tables, 140M+ rows** historised (CDC Type 2), **HDS / GDPR** compliance
- **Loan-insurance brokerage mission**: built a module that checks and interprets claim documents
- Historical data recovery into an **MDM** shared across 6 information systems
- **Recruitment**: technical-test reviewer for Silamir interns

SILAMIR GROUP | DATA ENGINEER INTERN

Apr 2025 – Oct 2025 | Paris

- Set up, improved and delivered a **complete data platform** on **Microsoft Fabric**, connected to source systems
- Built **ingestion pipelines** in PySpark and T-SQL to feed the platform
- Earned the **Azure DP-900** certification

LA POSTE GROUPE | DATA ENGINEER INTERN

May 2023 – Jul 2023 | Issy-les-Moulineaux

- Processed and analysed technical-incident data to **predict resolution times**. Introduced **Lean management** into the process
- Built a **web interface** to visualise the analysis results

PROJECTS

CLAUDE CODE PLUGIN FOR MICROSOFT FABRIC | PYTHON, AI

2026

- Data engineering tools accessible from the IDE: agents, code generation, automation
- **Used in production** by a maintenance agent that analyses support tickets

DATA ENGINEERING ACADEMY | EDUCATION, WEB

2025

- **Data engineering learning site** for newcomers: structured courses, progressive path

EDUCATION

UNIVERSITÉ PARIS CITÉ | MASTER'S IN ARTIFICIAL INTELLIGENCE

2023 – 2025 | Paris

- Trained supervised and unsupervised **machine learning** models

UNIVERSITÉ PARIS 8 | BACHELOR'S IN COMPUTER SCIENCE

2019 – 2023 | Vincennes / Saint-Denis

- **Compilers** (OCaml) • **IT security** (Python/C++) • Introduction to **AI** (Python)

SKILLS

DATA ENGINEERING

PySpark • Microsoft Fabric • T-SQL
Delta Lake • CDC - SCD • MDM
Power BI • ETL Pipelines • Azure

MACHINE LEARNING & AI

Scikit-Learn • PyTorch • NLP
Amazon Bedrock • LiteLLM
Claude Code Agents

DEVOPS

Git • Azure DevOps • Docker

CERTIFICATIONS

Microsoft Azure DP-900

SOFT SKILLS

Project management
Teamwork
Critical thinking
Initiative
Mentoring (recruitment)

LANGUAGES

FRENCH:

C2 — Native

ENGLISH:

C1 — Fluent

SPANISH:

A2 — Basics

COMMITMENT

BLOOD DONATION

Regular donor — 22 donations over the last four years.

FIRST AID

PSC1 certified (French civic first-aid diploma, level 1).
